

Alessandro Colitto Joins Team at Gateway Capital Advisors

MIAMI, January 15, 2016 – Gateway Capital Advisors, LLC announced today that Alessandro Colitto has joined the firm as Principal.

Mr. Colitto has 27 years of international corporate finance and investment banking experience, and has originated, structured and placed billions of dollars in loans, mezzanine debt, equity and M&A transactions across the Americas and Southern Europe, providing advice and assistance to countless borrowers, issuers, project developers, and investors.

“I am delighted to join Gateway’s prestigious and successful team, and enthusiastic about the opportunity to offer my clients and prospects such a professional and reliable advisory and capital raising platform”, commented Mr. Colitto.

Ricardo Cano, Founder of Gateway Capital Advisors, said, “We are excited that Alessandro has joined our team. His extensive track record and unique skill set will add tremendous value to our clients.”

Mr. Colitto's previous positions include Head of Middle Market Lending at FirstBank (a \$13 billion Florida community bank), Partner at CIMA Capital Partners (a prime consulting firm in Coral Gables), Managing Director at INTL FCStone (a global listed Fortune 60 firm), Co-founder of Biscayne Bay Group (the advisory company that structured Infonavit’s \$1 billion securitization program in Mexico), Director of International Securitization at BMO (Canada’s prime banking institution) and Director of Capital Markets at Petróleos Mexicanos (Mexico’s oil company).
